

Monthly Corporate Engagement Opportunities

January – Join us on MLK Day for an indoor office project! Your office or group can help Agassiz in our office. Our small staff often needs support in the office shredding, organizing, stuffing envelopes, and cleaning up. You can also help us write out birthday cards for our campers that we will send throughout the year for a sweet and personal touch to celebrate each of our campers' special day.

February – Write Valentine's Day cards and pack bags of candy for 50- 500 campers. Write personal notes to children and make Valentine's Day special for underprivileged kids. Agassiz will provide the names and ages of the children.

March – Step It Up! Work with a small group of Agassiz youth and help them develop an idea that will make camp better. Mentors can work with the group to develop, plan, and carry out the idea. Companies should plan to fund any projects developed. Projects have included beautifying the wharf area and upgrading the basketball court.

April - Pack summer activity bags for youth who can't get to camp. Every year we have more youth who want to attend than we can serve. Help us create virtual camp experiences by packing "do at home" summer activity bags for 10-50 children.

May & June - Camp Opening: come get your hands dirty cleaning, painting, mulching and beautifying camp. We offer opportunities for 10-100 employees to come up to our beautiful ground in Portland, Maine and get the camp ready for the kids to arrive. (Companies must provide their own transportation)

July & August – Groups from 3-20 can come out to camp and run activities with campers. Some activities include exercise, nature, arts/crafts, dance, and music. We will work with you to create the perfect interactive and educational activity. (Companies must provide their own transportation)

September & October - Camp closing – help us close up camp and winterize for the cold weather. We offer opportunities for 10-50 employees to come up to our beautiful grounds in Poland, Maine and close up camp for the winter. (Companies must provide their own transportation)

November – Everything but the turkey food drive! Your office can pack boxes of all of the fixings for families who are struggling with food insecurity.

December – Your office can pick from 5-75 children from the Agassiz Giving Tree. Provide one gift for each camper over the holidays. Name and age of child provided, along with one gift wish from the child.
