

The purpose of summer camp at Agassiz Village is to help build character development and provide a fun, safe place for kids to make new friends and enjoy their summer. We expect parents/guardians to do their part by abiding by the summer camp rules and familiarizing themselves with the disciplinary procedure and the following guidelines below:

- Parents/guardians shall read and be responsible for all rules and procedures related to their child's behavior and submit the required medical form.
- Parents/guardians shall refrain from touching or physically contacting any child in the camp program other than their own.
- Parents/guardians shall refrain from touching or physically contacting any Agassiz Village staff members.
- Parents/guardians are not permitted to verbally insult, harass, or interrogate any child, parent, or Agassiz Village staff member in the camp program.
- Parents/guardians should always approach an Agassiz Village staff member when they have a concern over another camper's behavior. Parents/guardians should NEVER directly go to another camper or their parent/guardian.
- Parents/guardians shall read and be responsible for the contents of the weekly Camp Newsletter that you will receive.

Failure to abide by any of these guidelines listed above will result in a meeting with the Camp Director and possible removal from the camp program.

I have reviewed the Parent/Guardian Code of Conduct and agree to meet Agassiz Village's expectations as described above.
